We will be putting phone numbers of cross connection testers on our website listing as we have had many requests for this. If you do not want your phone number listed, please let us know.	

CROSS CONNECTION CONTROL TESTER REGISTRATION

Application and Credential Fee (nonrefundable): \$100.00 class code 7630

Make checks payable to: Safety and Buildings Division. The fee consists of a \$10 application fee and a credential fee of \$90. The credential will be effective for 2 years from the date of issuance. Applications may be hand delivered to 201 W. Washington Ave, Fourth Floor, Madison, WI between the hours of 7:45 a.m. and 4:30 p.m., Monday through Friday.

Reason for Credential: Pursuant to s. 145.06 (3m), Stats., no person may conduct a performance test of a cross connection control device as required by s. Comm 82.21 (3) unless the person holds a credential issued by the department as a registered cross connection control tester.

Requirements of Credential: A person who holds the credential shall carry on his or her person the credential issued by the department while performing or conducting the activity or activities permitted under the credential.

Qualifications for Credential: A person applying for a cross connection control device tester registration shall have completed at least 40 hours in an approved course or courses in the theory of cross connection control, the operation, testing and maintenance of cross connection control devices, and the national standards for these cross connection control devices. The course or courses shall include instruction in at least:

- Reduced pressure principle backflow preventers;
- Reduced pressure detector backflow preventers;
- Double check backflow prevention assemblies;
- Back siphonage backflow vacuum breakers;
- Double check detector assembly backflow preventers; and
- Double check backflow prevention assemblies.
